

Sea fulling place names in Faroe

The Faroese fulling place names begin with váð, the old word for woven wool cloth. The second part of the name describes the landscape feature such as rock, large stone, point of land, and in one case it describes the purpose, fulling (túvan)

Name of sea fulling place	Location
Váðagjógv	Vágur
Váðanasin	Kvívík
úti í Váðarhæl	Tjørnuvík
